

# Happy New Year

January 1st, 2014 marks the first official day of my retirement from Indiana University. They finally let me graduate.....after 28 years!

From my first class of students (←) to my last doctoral graduate (→), I graduated >240 master's students and 14 doctoral students.

Friend Shella and I traveled to Tomahawk Lodge, in Sioux Narrows, Ontario, Canada in August for the Fuhrman Family Reunion. Shella took her two dogs Tiega and Max. I took Dart and Wylie. Wylie fell in love with retrieving Max's tennis ball from the lake.

We enjoyed hiking, local art's fair, and beautiful meals, including an island fresh fish fry.

It's been a great year for the dogs.

Shine finished his Master Hunter title in April and then went on to field trials where he won two Amateur retrieving majors, one four points and the other three points. He's now quite close to earning his Field Championship and his Amateur Field Championship.

← In May, he won first place in Jumpers at the Vizsla Club of America National Agility Trial.

The best news of all is Dart finished her Master Agility Championship.....MACH as 2013 was coming to an end. This makes her a Triple Champion, and maybe even a Quadruple Champion. We'll have to wait and see. You can see her MACH runs at:

Wylie earned his Junior Hunter title through the American Kennel Club and a Prize II in Natural Ability from the North American Versatile Hunting Dog Association.

If you want to know what I will be up to.....I'm off Pheasant Hunting.....traveling to see long-time friends in California.....showing the dogs around the country.....and maybe going to Europe. Oh, yes, I may come back to finish two students.

Maybe I'll see you. Happy new year.....Jan Wallace
